## Acknowledgement of Country

Brisbane Catholic Education acknowledges the Traditional Custodians of the lands on which our schools and offices stand. We honour the enduring relationship with Country, the lands, waters and skies that have been cared for through wisdom, responsibility and love for tens of thousands of years by First Nations peoples. We extend our deep respect to Elders past and present, and to Aboriginal and Torres Strait Islander peoples who continue to nurture culture, community and identity across generations.

We give thanks for the rich cultures, Spiritualities and knowledges that First Nations peoples share with us. These ways of knowing, being and doing continue to shape our understanding of community, justice and care for one another and for creation.

As a Catholic education community, we commit to embedding cultural safety in our school so that Aboriginal and Torres Strait Islander children, families and staff are seen, respected and affirmed, and so that no one experiences harm, exclusion or silence because of culture or identity.

Cultural safety calls us to listen deeply, to reflect honestly on our histories, and to walk together in humility and courage. It asks us to ensure our classrooms, relationships, policies and practices uphold dignity, belonging and justice for all.

May we continue to walk gently and respectfully together, learning from First Nations peoples and from one another, so that our school is a place of welcome, truth-telling and hope.

May we be one in land, one in Spirit, one in Faith, united in God's love, committed to justice, and faithful to the responsibility entrusted to us as educators of this land.

# Introduction

**Because wherever a child or vulnerable person is safe, there you serve and honour Christ.**

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

Southern Cross Catholic College Scarborough, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows Southern Cross Catholic College Scarborough to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

# Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture<sup>1</sup>

## Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

## What Standard 1 looks like at our school:

At **Southern Cross Catholic College Scarborough**, safeguarding is a fundamental responsibility that underpins all aspects of leadership, decision-making and daily practice. The College takes its safeguarding obligations extremely seriously and is committed to ensuring that every student is safe, supported and protected from harm. Student safety and wellbeing are not viewed as additional responsibilities, but as core expectations embedded within the College's culture, governance and leadership structures.

Guided by our Catholic identity and the teachings of, Southern Cross Catholic College places the dignity, safety and wellbeing of children and young people at the centre of all that we do. Our leadership team actively promotes a culture where safeguarding is everyone's responsibility and where students are encouraged to speak up, seek support and trust that their concerns will be taken seriously and responded to appropriately.

Clear leadership accountability for safeguarding is established and maintained across the College. The Principal holds overall responsibility for safeguarding, supported by Student Protection Contacts, Heads of Campus, Pastoral Leaders and Guidance Counsellors. Together, these leaders oversee and reinforce a culture where student safety is paramount, ensuring that safeguarding considerations inform pastoral care, behaviour support, curriculum planning, staff supervision and engagement with families.

Safeguarding is a standing priority within College Leadership Meetings, with regular discussion focused on student wellbeing, emerging risks, and the effectiveness of current practices. This deliberate focus ensures that safeguarding remains visible, proactive and embedded in everyday leadership decisions rather than being addressed only in response to incidents.

The College ensures that safeguarding expectations are clearly communicated to all staff, students and families. The Archdiocesan Safeguarding Commitment is displayed prominently across College campuses as a visible reminder of our zero tolerance for abuse and our shared responsibility to protect children. Leaders model appropriate behaviour, professional boundaries and respectful relationships, reinforcing the standards expected of all employees and volunteers.

Southern Cross Catholic College actively fosters a culture of vigilance and care, where concerns are identified early and responded to in a timely, child-focused and trauma-informed manner. Student Protection Contacts, Heads of Campus, Pastoral Leaders and Guidance Counsellors work collaboratively to monitor student wellbeing, support vulnerable students and ensure that concerns are escalated and managed in accordance with Brisbane Catholic Education policies and procedures.

Continuous improvement is a key feature of our leadership approach to safeguarding. The College regularly reflects on safeguarding practices, learns from incidents and feedback, and strengthens systems to ensure ongoing compliance with the Child Safe Standards. Through strong leadership, clear accountability and a shared commitment to student safety, Southern Cross Catholic College strives to create an environment where every child feels safe, valued, listened to and protected.

## Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

## What Standard 9 looks like at our school:

At **Southern Cross Catholic College Scarborough**, safeguarding is understood as an ongoing responsibility that requires regular reflection, monitoring and improvement. The College is committed to ensuring that safeguarding practices remain active, effective and responsive to the needs of students, rather than existing only as documented policies or procedures.

Leadership plays a central role in embedding safeguarding into everyday practice. Student safety and wellbeing are regularly considered within leadership meetings, pastoral reviews and operational decision-making. This ensures that safeguarding remains visible and informs how the College plans, evaluates and responds to emerging needs or risks.

The College monitors the effectiveness of safeguarding practices through a combination of reflection, feedback and review. Information gathered from student wellbeing data, pastoral conversations, incidents, complaints and informal feedback is used to identify strengths and areas for improvement. Where patterns or concerns emerge, leadership responds by adjusting practices, strengthening supports or clarifying expectations.

Southern Cross Catholic College participates in Brisbane Catholic Education's safeguarding self-assessment and implementation processes. These structured reviews support the College to evaluate its alignment with the Child Safe Standards and identify actions to strengthen local practice. Outcomes from these reviews inform the School Safeguarding Plan and guide ongoing improvement efforts.

When safeguarding concerns or incidents occur, the College reflects on learnings to reduce future risk. Leadership considers what worked well, where improvements are needed and how systems or practices can be strengthened. This learning-focused approach supports accountability while reinforcing a culture of continuous improvement.

Students, families and staff contribute to the review of safeguarding practices through feedback, conversations and engagement processes. Student voice, family feedback and staff insights are valued as important sources of information that help the College understand how safeguarding is experienced in practice.

Safeguarding actions and improvements are documented and monitored to ensure accountability. Leadership oversees progress and ensures that identified actions are implemented and reviewed within appropriate timeframes.

Through deliberate monitoring, reflection and review, Southern Cross Catholic College ensures that safeguarding practices remain current, effective and responsive. This commitment to continuous improvement reinforces the College's determination to provide a safe, supportive and child-centred environment for all students.

# Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children<sup>10</sup>

## Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

## What Standard 10 looks like at our school:

At **Southern Cross Catholic College Scarborough**, safeguarding policies and procedures provide a clear and consistent framework for protecting children and young people. The College relies on Brisbane Catholic Education's system-wide safeguarding policies and procedures, which are regularly reviewed and updated to align with legislative requirements, the Child Safe Standards and best practice in child protection and wellbeing.

These policies and procedures clearly document how safeguarding is embedded across all aspects of College operations. They outline expectations for behaviour, professional boundaries, reporting obligations and responses to concerns, ensuring that staff, volunteers and third parties understand their responsibilities in keeping students safe.

Southern Cross Catholic College ensures that safeguarding policies and procedures are accessible and communicated in ways that support understanding. Key documents are available to staff and families through College communication channels, and safeguarding expectations are reinforced through induction, professional learning and ongoing engagement. Where required, leaders support families and staff to understand policies by providing clarification or guidance.

The College recognises that policies and procedures must be living documents that guide practice rather than static references. Leadership supports staff to apply safeguarding policies consistently and appropriately in day-to-day decision-making, particularly in relation to student wellbeing, behaviour support and responses to concerns.

Best practice models and stakeholder consultation inform safeguarding approaches at the College. Feedback from students, families and staff is considered when reflecting on how policies operate in practice. Where gaps or challenges are identified, the College works within BCE frameworks to strengthen local processes and ensure policies remain effective and child-centred.

Southern Cross Catholic College also ensures that school-based procedures align with BCE policy requirements and local context. This supports clarity in roles, responsibilities and processes, while maintaining consistency with system-wide safeguarding expectations.

Through clear documentation, accessibility and active implementation, safeguarding policies and procedures support a shared understanding of how the College protects children and young people. These frameworks reinforce Southern Cross Catholic College's commitment to providing a safe, supportive and accountable environment where student wellbeing is prioritised.
