### Top growth industries

(Share of projected employment growth, by industry<sup>1</sup> – five years to May 2023)

Use this course as a pathway to higher qualifications in aged care, individual support or nursing.

Get a head start on your career while you're still at high school. Studying a Certificate II or Certificate III at school, and completing Year 12, gets you a guaranteed spot in any diploma course at TAFE Queensland. It also counts toward your QCE, opens up pathways to University and makes you job ready sooner.

**CERTIFICATE II IN HEALTH SUPPORT SERVICES - Year 11**  
**CERTIFICATE III IN HEALTH SUPPORT SERVICES - Year 12**

**Course Information**

This course will prepare students for a range of tasks they perform when they enter into a health services career, including

- health checks
- health promotion
- health administration
- pathway for workers who provide the first point of contact and assist individuals in meeting their needs

**Topics include:**

- health and safety in health services
- compliance with infection prevention and control policies and procedures
- performance of general cleaning tasks in a clinical setting
- conducting health assessments with diverse clients
- working in health teams
- working in health administration

# Overview

**There is one VET offering in the field of Health and Physical Education**

**Certificate III in Health Support Services / Certificate III in Community Services**

## **VET offerings and ATAR**

The calculation of an Australian Tertiary Admission Rank (ATAR) will be based on a student's:

- best five General subject results or
- best results in a combination of four General subject results plus an Applied subject result or a **Certificate III** or higher VET qualification.

**This does not prevent a student from studying a Certificate I or Certificate II qualification, just that it does not contribute towards an ATAR calculation.**
